PRESS RELEASE

**GPS Technicians gathering Sign, Signal, & Light Inventory on the streets & alleys of
Reading**

December 16, 2008: The City of Reading has contracted with GeoDecisions to inventory city-maintained traffic signs, signals, and lights. For this part of the project, GeoDecisions will be gathering GPS locations of select traffic signs, signals, and lights. The data collection effort will begin on or about Jan. 2, 2009, and is scheduled to be completed by Jan. 30, 2009.

For additional information contact the Citizens Service Center at 1-877-727-3234
